INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION

To the shareholders of
Elm Compny
"A Saudi Closed Joint Stock Company"
Riyadh – Kingdom of Saudi Arabia

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Elm Company ("the Company") and its subsidiaries (together "the Group") as of 30 September 2021 and the related interim condensed consolidated statement of profit or loss and other comprehensive income for the three and nine months period then ended, and the interim condensed consolidated statements of changes in equity and cash flows for the nine months period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of this interim condensed consolidated financial statement in accordance with International Accounting Standard 34 – ("IAS 34") "Interim Financial Reporting" endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor" endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to the attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared in all material respects in accordance with IAS (34) endorsed in the Kingdom of Saudi Arabia.

Other Matter

The interim condensed consolidated financial statements for the Group for three and nine months ended on September 30, 2020 were reviewed by another auditor, and an unmodified report was issued on 08 August 2021. 3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies used in preparing these interim condensed consolidated financial statements are the same policies used in preparing the consolidated financial statements for the year ended December 31, 2020.

New and amended International Financial Reporting Standards ("IFRS") and Interpretations

- 'Interest Rate Benchmark Reform Phase 2: Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16': The amendments provide temporary reliefs which address the financial reporting effects when an interbank offered rate (IBOR) is replaced with an alternative nearly risk-free interest rate (RFR). The amendments include the following practical expedients:
- A practical expedient to require contractual changes, or changes to cash flows that are directly required by the
 reform, to be treated as changes to a floating interest rate, equivalent to a movement in a market rate of
 interest.
- Permit changes required by IBOR reform to be made to hedge designations and hedge documentation without the hedging relationship being discontinued.
- Provide temporary relief to entities from having to meet the separately identifiable requirement when a RFR instrument is designated as a hedge of a risk component.

These amendments had no impact on the interim condensed consolidated financial statements of the Group.
